exclaimed

extracted

examined

emphasized

58. Choose the best preposition to fill in the gap “We learn \_\_\_\_\_ failure, not \_\_\_\_\_ success!” (Bram Stoker)

at/on

from/from

to/to

in/from

59. Choose the best synonym to the underlined word in the sentence “The only thing standing between you and your dreams is “reluctance”.”

hesitation

indifference

confidence

understanding

60. Which of the following is not considered appropriate in Netiquette?

Respect other people’s time.

Adhere to the same standards online that you follow in real life.

Respect the privacy of people.

Spread rumors online

61. Fill in the gap with the appropriate verb in the appropriate grammatical form. I would like to know whether your school \_\_\_\_\_ courses specifically for university level students, as I would

like to study techniques for essay writing in English.

takes

offers

accept

suggest

62. Choose the best preposition to fill in the gap  
The place is amazing and learning here is a really different experience, so just come \_\_\_\_\_ and check it \_\_\_\_\_.

over/out

on/on

in/up

back/in

63. Choose the best preposition to fill in the gap  
What do you think are the main problems associated \_\_\_\_\_ the use of the web?

in

to

with

on

64. Choose the best synonym to the underlined phrase  
This preparation helps them to cope with any task.

copy from

prevent from

deal with

provide with

65. What does the underlined word refer to? In the past, new words were coined by people - it might have been in a speech or a newspaper article or in a book - they were written down and then other people adapted them and used them and that could be quite a slow process and new words might come into a language over a long period: 10, 20 years.

people

newspapers

new words

books

66. Choose the best synonym to the underlined word in the sentence. Well, it helps in many ways. In the past, students in locations in other countries didn't have access to much genuine English.

modern

authentic

outdated

general

67. Choose the best definition of the word "to identify".

to find out something suitable by analyzing deeply

to come to one conclusion

to understand

to become the owner of something

68. Choose the antonym to the underlined word. The speaker's intentions were not made explicit.

precise

plain

unclear

evident

69. Choose the best antonym to the underlined word in the sentence. This is the road map that will take you from choosing a career to succeeding in it.

fail

carry on

fulfill

commence

70. What does the underlined words refer to?

Goal setting is a major component of the career planning process. Your goals, and the steps you take to achieve them, will make up your career action plan.

goals

process

goal setting

steps

71. Choose the best synonym to the underlined word. In this context, your goals will be your career objectives, for example a particular occupation, a step on the career stairs or earning a level.

success

aim

object

action

72. Choose the best paraphrase of the given sentence. It's fairly simple to state a goal but actually achieving it isn't quite as easy.

Achieving a goal is just as easy as stating it.

Stating a goal is not so easy as achieving it.

It is more difficult to achieve the goal than stating it

One cannot achieve the goal without stating it.

73. Choose the appropriate definition to the underlined word. Attack to information is penetrating into one's PC and monitoring, snooping, spying, stealing information and so on.

breaking the code of somebody's computer and crushing it

selling information for the purpose of making money

investigate or look around furtively in an attempt to find out something, especially information about someone's private affairs

to spread information without an owner's permission

74. Choose the best antonym to the underlined word in the sentence. The worst thing is that it is easy to hack your information virtually and even you do not know when, how and who hacked and usually you cannot mind the event or object to.

identify

provide

introduce

approve

75. Choose the best paraphrase of the given sentence. File swapping with your friend is also against law.

File exchange with friends is legal.

Exchanging files with friends is illegal.

Deleting your friends' file is legal

Deleting your friends' file is not legal

76. Choose the best synonym to the underlined word in the given sentence. A lingua franca is a third language that is distinct from the native language of both parties involved in the communication.

related to

distant from

similar to

different from

77. Who does the word "they" in the given sentence refer to? Malay was the LF of Southeast Asia and was

used by Arab and Chinese traders there prior to the arrival of the Europeans. Once they arrived, people like the Dutch and British also used Malay to communicate with the native people.

Chinese traders

Europeans

Arab traders

Malay people
